

Pre-Prep News

12 May

Year 2

On Monday this week the Y2 children visited Thistledown Farm and experienced the busy life a farmer leads. The children milked goats, bottle fed lambs as well as finding out how piglets, calves, ducklings and chicks are cared for. It was an exciting and interesting morning.

On Tuesday they visited Worley Hill Nature Reserve which is managed by Millfield's Conservation Officer - Shane Potts. The children made a study of the woodland and managed grassland and saw rare species of orchid and butterflies.

An African Story - End of Term Production

Thanks to everyone for their enthusiasm this week! Costume and scenery working groups continue on Monday and Wednesday mornings from 8.30 onwards.

Half-Term Arrangements Friday 27 May

Parents who are collecting their older children early on Friday 27 May (1.30pm for Millfield Prep) are welcome to collect their Pre-Prep children at the same time from the classrooms. (Please let Mrs Berrow in the Pre-Prep office know the time you are collecting, so that we can inform the catering staff of lunch numbers.) Pre-Prep will close at 3.30pm and after school clubs will not be running that day.

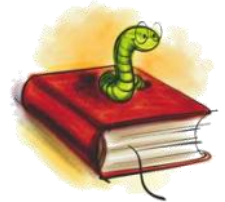

Great Nesting Box News Continued!

We now have blue tit chicks in each nesting box with parents feeding diligently. The chicks are beginning to look less like aliens and more like baby birds with punk hair styles.

Book Fair

Don't forget to visit the Book Fair in the Day Pupils Waiting Room (near the covered way) from 12 - 18 May open from 8.30 - 5.00 each day. Lots of great books for all ages, with 3 for 2 offers.

A selection of photos from Pre-School taken this week

Our Millfield Minis had play sessions on the first week back after the Easter holiday
