

Pre-Prep News

19 May

Half-Term Arrangements Friday 27 May

Parents who are collecting their older children early on Friday 27th May are welcome to collect their Pre-Prep children at the same time from the classrooms. Other children should be collected at 3.30 from the chestnut trees - there are no activities, crèche or late club. (Please let Mrs Berrow in the Pre-Prep office know the time you are collecting so that we can inform the catering staff of lunch numbers.) Thank you.

Year 2 Visit Westhay

On Monday, Year 2 visited Westhay Nature Reserve as part of their study on habitats. They enjoyed a lovely walk on the reserve, learning about the plants and animals that have adapted to live in a wetland area. The children went pond dipping and identified many of the creatures living there.

Pre-School visit to Court Farm

Despite a drizzly day the Pre-School children and staff had a great day at Court Farm. There are lots more photos to see in Pre-School so do call in to have a look!

Year Group Photographs

We hope you like the 'freestyle' photographs. Please return the order slips as soon as possible.

Swimming

Swimming is cancelled for Y1 and Reception next Friday.

An African Story - End of Term Production

Costume and scenery working groups continue on Monday and Wednesday mornings from 8.30 onwards.

Nesting Box Update

The blue tit chicks in each nesting box are continuing to be fed diligently by their parents. The chicks look increasingly like small blue tits and spend their time preening and exercising their wings. We expect them to leave the nest in the next few days.

A morning of art activities...
