Freshly Picked Carrots for Snack Time

Charlie brought freshly picked carrots to share with his Reception friends at snack time. The children peeled them and crunched happily on the delicious carrots. The peelings and carrot tops were shared between the rabbits and guinea pigs. Thank you Charlie, they were delicious!

Sports Day

Monday 4 July 2.00pm

All children will need to wear their PE kit for Sports Day and will need school caps. If the weather is fine, the children will use the track just below the dining hall, if wet, we will use the Sports Hall.

The children will take part in their races and then should be collected from staff at the end of the event.

After the races, parents and children are invited to the dining hall for refreshments. Please inform your child's class teacher if you are unable to attend Sports Day but will be collecting at 3.30. There will be no crèche or late club.

Pre-School children who do not normally attend on Monday afternoons are asked to meet on the Sports Field at 2.00pm - please inform Pre-School staff if you will be doing this.

These are some of the children's thoughts about 'what a tree has done for me' -

A tree gives you fruit.

Trees give us oxygen to breathe.

Trees give us shade.

I printed with leaves that I found in my garden.

We made plum jam.

They grow apples.

A tree is a den for me to play in.

You can climb a high tree.

Trees give us nuts, fruit and air and are a wonderful home for animals.

Their leaves are on display on Apple Tree Green - please do go and have a look to discover more of our thoughts on trees.

End of Year Assembly Wednesday 6 July

All Y2 parents are invited to join our end of year celebration at 11.15am in the Pre-Prep Hall.

Reception and Y1 Visit to the Magdalen Project

Heavy showers didn't spoil our day at the Magdalen Project! We still managed to collect bugs in pooters, cross a rope bridge, climb gates, feed willow twigs to the goats and potatoes to the pigs, use old DVD as mirrors to look at the tree canopy, collect creatures in fishing nets from the River Axe, walk almost 4 km, negotiate electric fences, eat our picnic lunch outside during a shower of rain, cross a field full of sheep and enjoy every minute!!

Before half term, the Minis had a morning of dance with Robyn Cummins and fun on Apple Tree Green.
