

Millfield Minibus

Millfield has a fleet of nine minibuses which provide an extensive transportation service to both our Senior and Prep Schools for our day pupils.

We employ experienced drivers to pick up pupils at a variety of convenient and safe pick-up points. The service is reliable, efficient, value for money and an environmentally friendly way to travel.

All buses run Monday to Saturday inclusive. Please note there is no return service in the afternoon.

Currently there are a limited number of spaces on most routes. If there is no availability on your required route, we are able to take names to put on a waiting list.

Half a term's notice is required when withdrawing a child from the service. The minimum age for a child to be accepted on the service is 7 years old.

Please note that the minibus does not run on the first school day of the Autumn term each year.

If you would like to enquire further about the minibus service please contact **Jane Dykes on 01458 444351** or email **janedykes@millfieldschool.com**
